

## Welcome to the Newsletter of The White Hut, Whitsand Bay, Cornwall

Yet again, we have received a lot of positive feedback from you all, thank you once again, for all your lovely comments.

### The Bath

When we were rebuilding the chalet, Clive originally wanted to set the bath in the Decking and I told him not to be so silly! And to hide the bath in the 'Bomb Hole' (as we call it, where the BBQ is situated) little did I realise how well everybody would use it! Lots of comments appear in the Visitors Book about it!

We are going to start a competition, photos needed of feet in the bath!

### Outside Shower

This has also received a lot of good feedback from you all; we personally never shower in-doors now!

### Spillages and Breakages

We have noticed a few spillages and breakages, which have not been reported. We are not ogres and realise that accidents do happen, if you could just let us know so that we can sort this out for the next guests. There is a form on clipboard that can be completed or just phone and let one of us know.

### Future Plans for The White Hut

A wood burner is being installed; work will be completed by the end of October by Clive and his Cousin Adam. This will allow us to rent the chalet out over the Winter Months as well.

**Christmas and New Year** is already booked up, good thinking Mr Blackler!! This was booked very early in the year!

A new shed is being erected in the Bomb hole, this will allow us to revamp the old outside toilet and tile, add a new WC and Wash Basin and this can be used as a changing room for outside shower and 2<sup>nd</sup> bathroom for when we have larger numbers visiting.

And there will be a bigger Fridge at the Chalet for 2010! As some of you could not fit your beer and wine in!!

**Get your bookings in for 2010, so as not to be disappointed. Contact Jane Johnson on 01730 711343 or 07855 423308 or email: [janejohnson@hotmail.com](mailto:janejohnson@hotmail.com)**

## PHOTO BOARD

Please can we have hard copies of any of your **family photos at the chalet**, not the views (we have plenty of those!) for our Photo Board?

## Jane's Corner

We would just like to say a huge thank you to Adam Johnson who built the Porch, which has been well used by us both after our outside shower's for drying off! For all his hard work on numerous 'projects' which The White Hut and we have benefited from!

Also another special mention to Mike and Gary for their regular custom, this visit will be your 5<sup>th</sup> or 6<sup>th</sup>? We must be doing something right!

Also to Holly Allan (Sorry cannot remember your married name) for spending your Honeymoon at the chalet, we wish you all the best for your future together.

We have not received many Photos' from you; Photo Board is looking a little bare. Please could you raid your Chalet Photo's and send us your copies, either my email or snail mail.

Bookings have been really busy, this year, and we have had enough to occupy another chalet of our friend James Avery at Penquite Chalet.

Came back from Chalet last Saturday and back down again on Thursday with my Mother, leaving Clive behind to work!

Bye for now

JJ
